## FABULOUS FINDS 215 SMITHTOWN BLVD. NESCONSET

By Iris Wiener

A clothing store has never been so appropriately named. Fabulous Finds is brimming with exciting items to grab, and each and every one have incredibly reasonable prices. Every type of clothing and accessory can be found within the walls of the eccentric shop. Whether you're looking for new or vintage items, you're in the right place.

Owner Donna Reeves is looking forward to Fabulous Finds' first anniversary on November 17th. Although the business has been around for twenty years, this is an exciting landmark for the shop. "I love clothes and I love people," says Reeves when contemplating the simple, yet valuable, reason that contributed to her starting Fabulous Finds in Nesconset.

You never know what you're going to find when entering the intriguing shop. Boots, shoes, accessories, coats, shirts, pants,

suits, handbags, and evening-wear adorn the shelves and walls of the unique establishment. "Consignment has never

*Owner, Donna*

been so new," says Reeves with a revealing grin spread across her face. Nothing about this store is ancient history, with exception, of course, to the vintage clothing, which has been revived as original and classy.

The unique clothing comes with personalized service. Not only do customer assistants

Gina and Rose know their products, but the clothing actually speaks for itself. "The vintage clothing has a style of its own. When a customer is satisfied it makes me feel good inside," says Reeves. She goes on to say that she treats people the way she wants to be treated- service that is hard to come by in today's retail establishments. "My customers are my family," she says.

Many of Donna's customers can't say enough about the service and charm of both Reeves and her store. "She is wonderful, friendly, warm and a good business woman," says one enthusiastic patron. "She will go out of her way for her customers."

To treat yourself to some of Donna's Fabulous Finds, visit her Tuesday through Saturday, 11pm to 5pm, or Thursday, 11pm to 7pm. You may also call her with any questions at 631-360-8757.
